

2010 Southwest Regional Alpaca Show March 13th – 14th, 2010 Arizona State Fairgrounds Phoenix, Arizona

Male Sale

The Southwest Regional Alpaca Show has a 'Male Sale' at the show that receives rave reviews every year. What a great opportunity to bring along a male alpaca and give him exposure to potential buyers. In past years boys sold at prices from \$1000 to \$25,000, so this is a great way to sell males at any price. Many of the boys offered in the Male Sale are SOLD at the show and we have heard that owners also received calls from potential customers long after the show was over! The Male Sale catalog can be a reference for potential buyers long after the show ends.

- Your male-for-sale will get to stand out at the show while **wearing a male-for-sale tag** and having a **male-for-sale sign** on his stall - and of course, you can provide promotional material on him at your stall. *The "I'm For Sale" tag should be returned to ABA at the end of the show.*
- Entrants can be **intact or gelded**; they can be sold with or without a reproductive warranty.
- Entrants **do not have to be entered** in show classes to participate in the Male Sale, however they do need to be present at the show.
- Entrants are to be sold with the **seller's guarantee of health** as of the date of the sale. Any other guarantees (such as reproductive soundness, fertility, etc.) are to be by private arrangement between the parties.
- Entrants must carry written evidence of good health, defined as an interstate travel certificate signed by a licensed veterinarian within 30 days prior to the last day of the show. Males-for-sale will go through the same Vet Check to come into the show arena that all halter show entries do.
- Entrants must be micro-chipped and the chip number must be written on their health certificate.
- Entrants are required to be **ARI registered**. A copy of the Male's ARI certificate must be provided along with your show registration.
- Show management will prepare a **Male Sale Catalog** based on photo and information provided by the seller that will be available to all show participants and the public audience at the show. Photos will be rendered in black & white for the catalog.
- Show management will provide Buyer and Seller with copies of the Alpaca Breeders of Arizona non-reproductive **Alpaca Purchase Contract** (ABA recommends that the parties of the sale use this contract or a more restrictive one of their choosing. ABA accepts no responsibility for any issues arising out of the sponsorship of the Male Sale.)
- The **cost to enter** an alpaca in the Male Sale is only \$50 for alpacas priced under \$2500 and \$75 for alpacas priced \$2500 and up. There is no limit on the asking price.

So, think you may want to enter a male (or two) in the Male Sale?

Then there are a few easy things you need to do?

1. Complete a show registration form; include payment for your male sale listings and a copy of your boy's ARI certificate with your registration whether he is entered in the show or not.
2. Fill out the convenient form online at <http://www.swras.org/malesaleinfo.html>
3. Send us a high resolution color photograph of your Male for the catalog to azdarkhorse@aol.com
4. Bring your boy to the show!

Deadline for payment & paperwork submission for the Male Sale is February 27th, 2010.

Deadline for Male Sale Catalog Material Submission is February 27th, 2010!
